

Angel Wing Basket, 24 IN x 42 IN x 66 IN

4676-2000-DATASHEET

Description

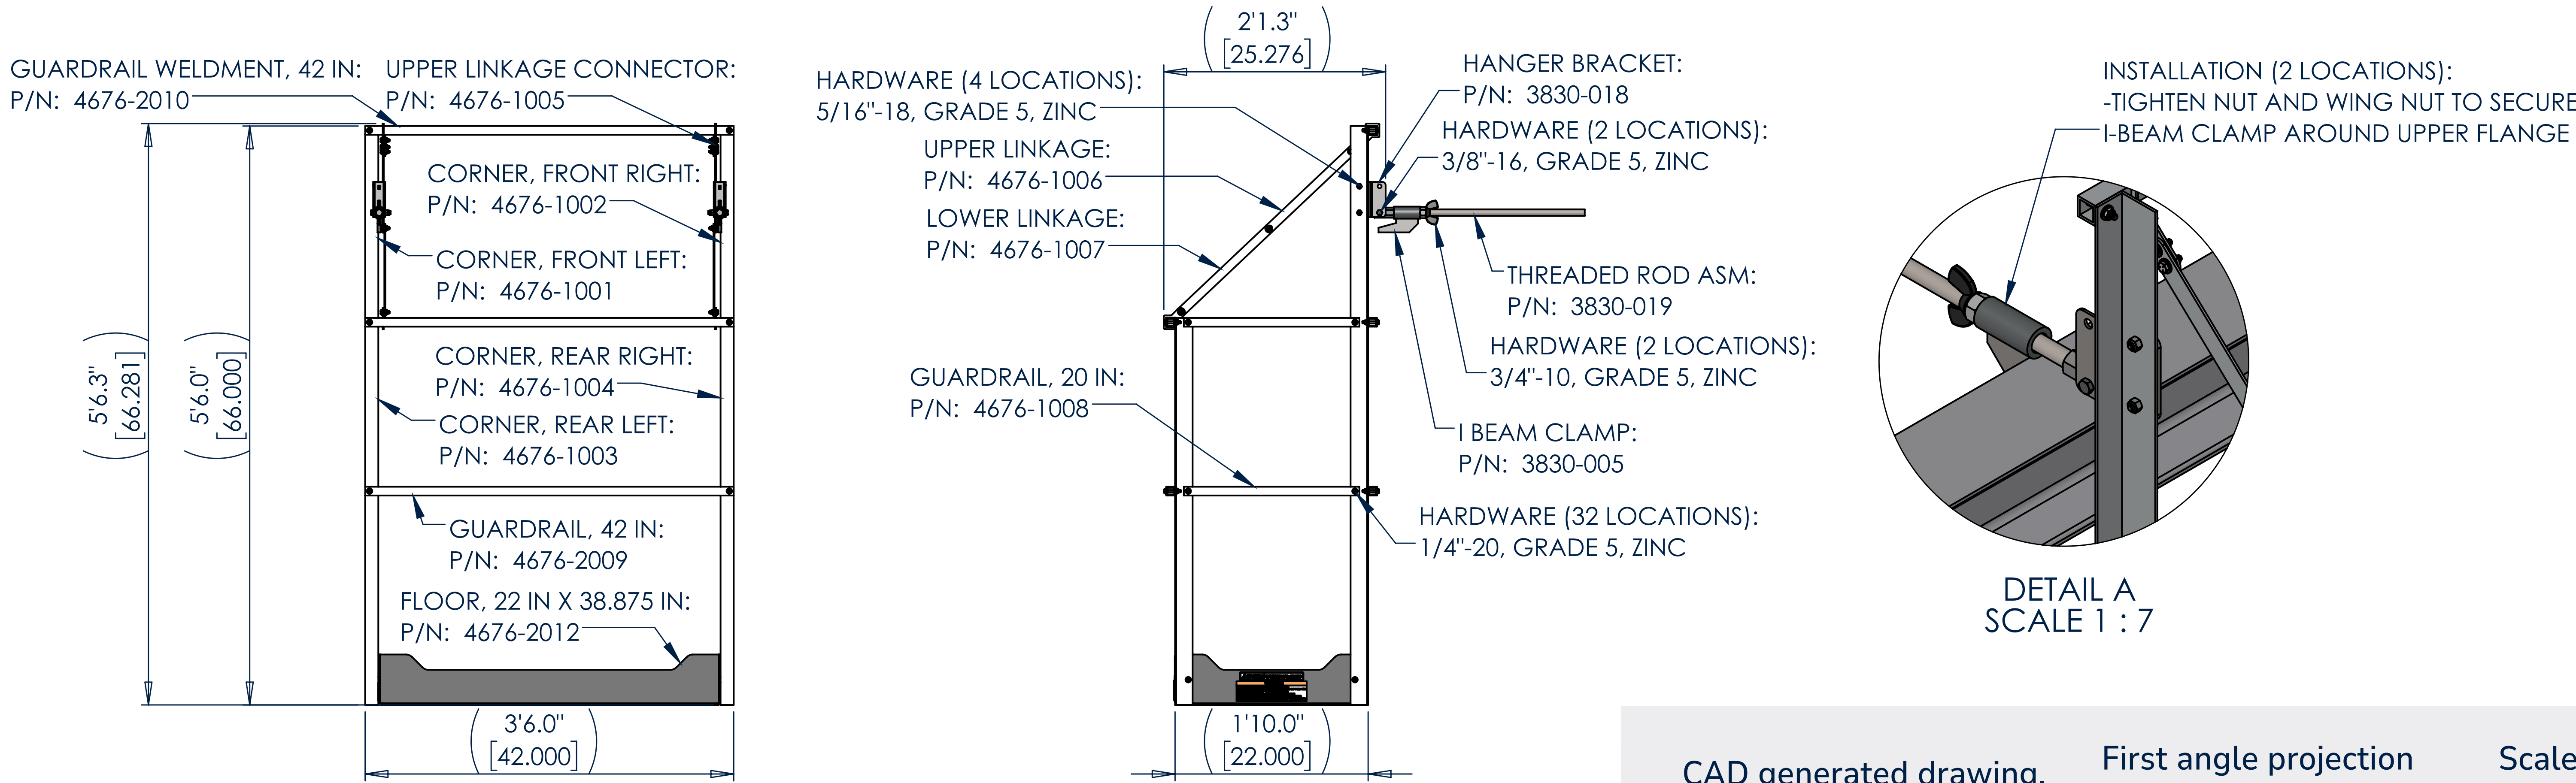

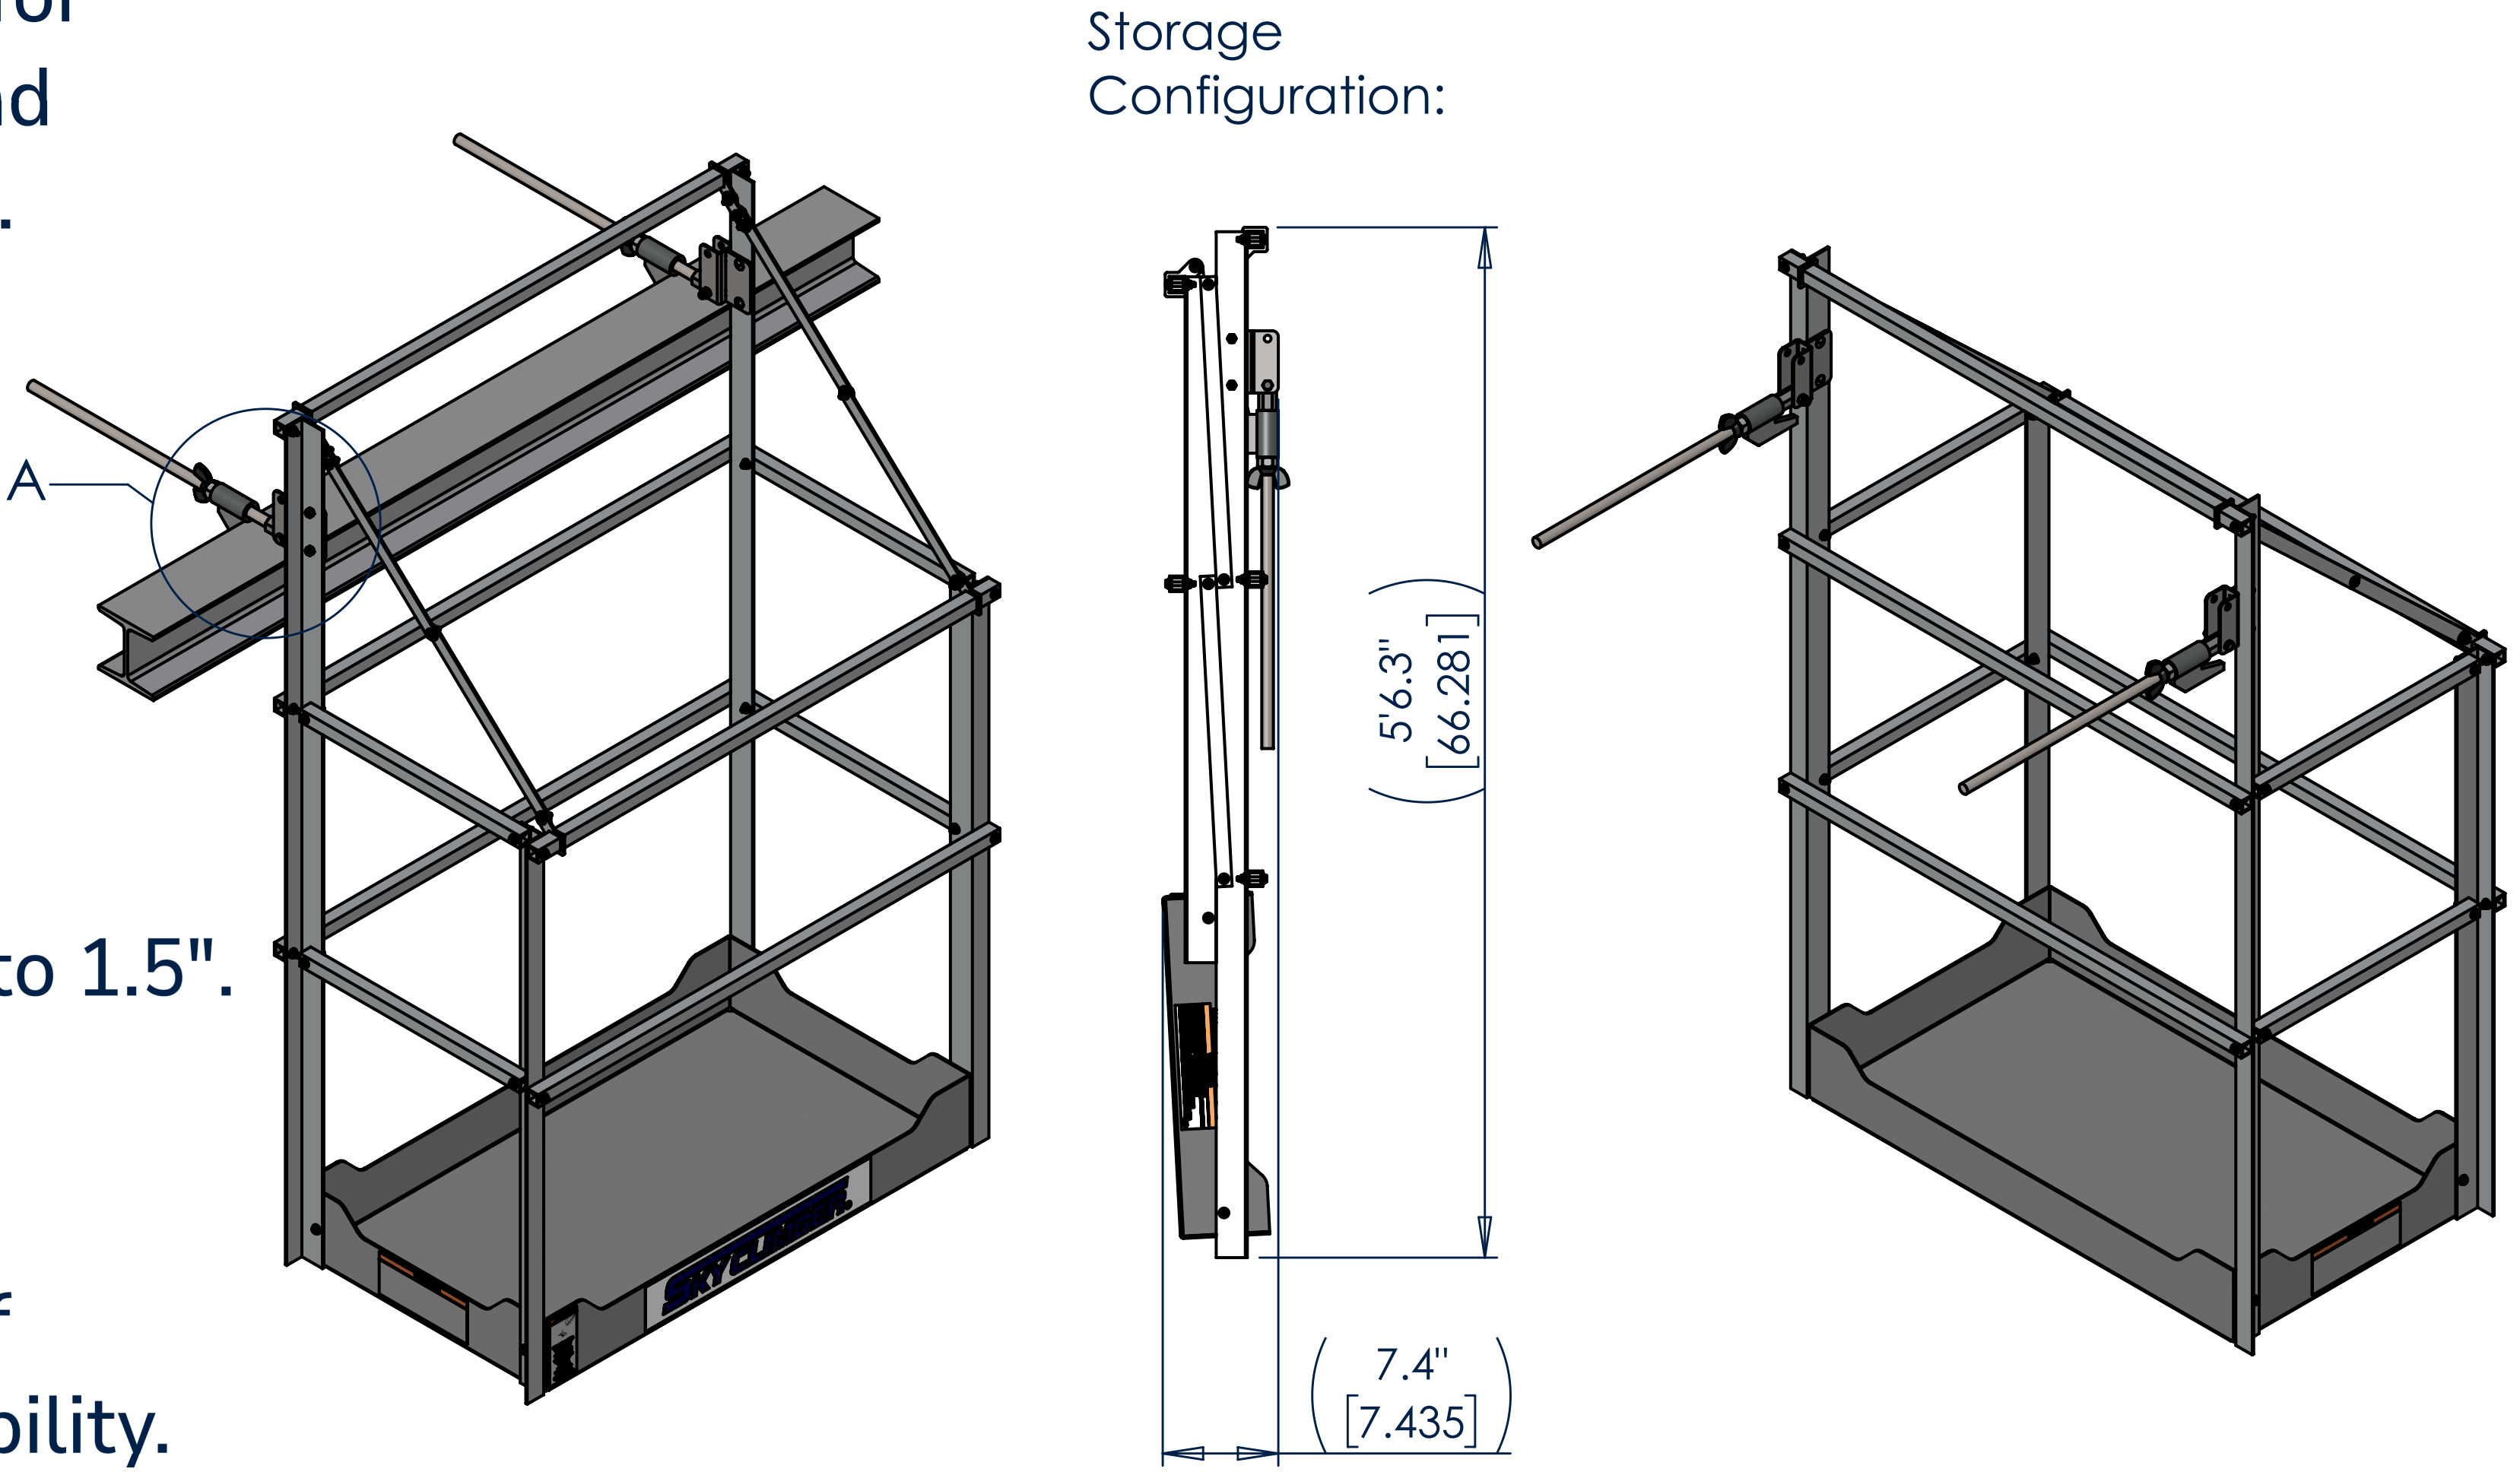

- Angel Wing Basket, 24 IN X 42 IN X 66 IN, provides a solution for spot work on steel structures by allowing worker(s) to hook and clamp the basket into place on horizontal flanged steel beams.

Summary

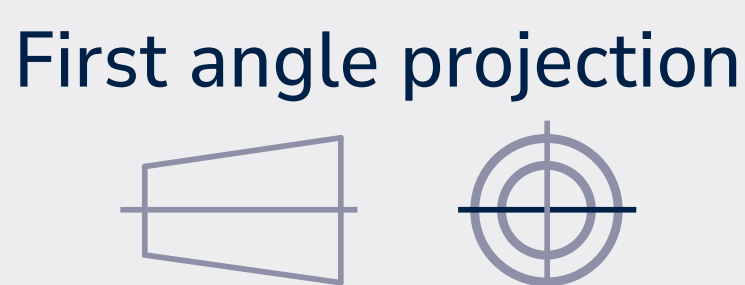

- Durable, lightweight construction can be easily installed and relocated by one worker.
- Basket easily folds flat for convenient transport and storage.
- Provides full toe board, mid rail, and handrail protection.
- Fits steel beam widths from 5"-19" and flange thicknesses up to 1.5".

Additional Accessories Available

- Contact Sky Climber to check adaptability for beams outside of the specified width / flange thickness, as well as ladder availability.
