

Bosun Chair

104-43-DATASHEET

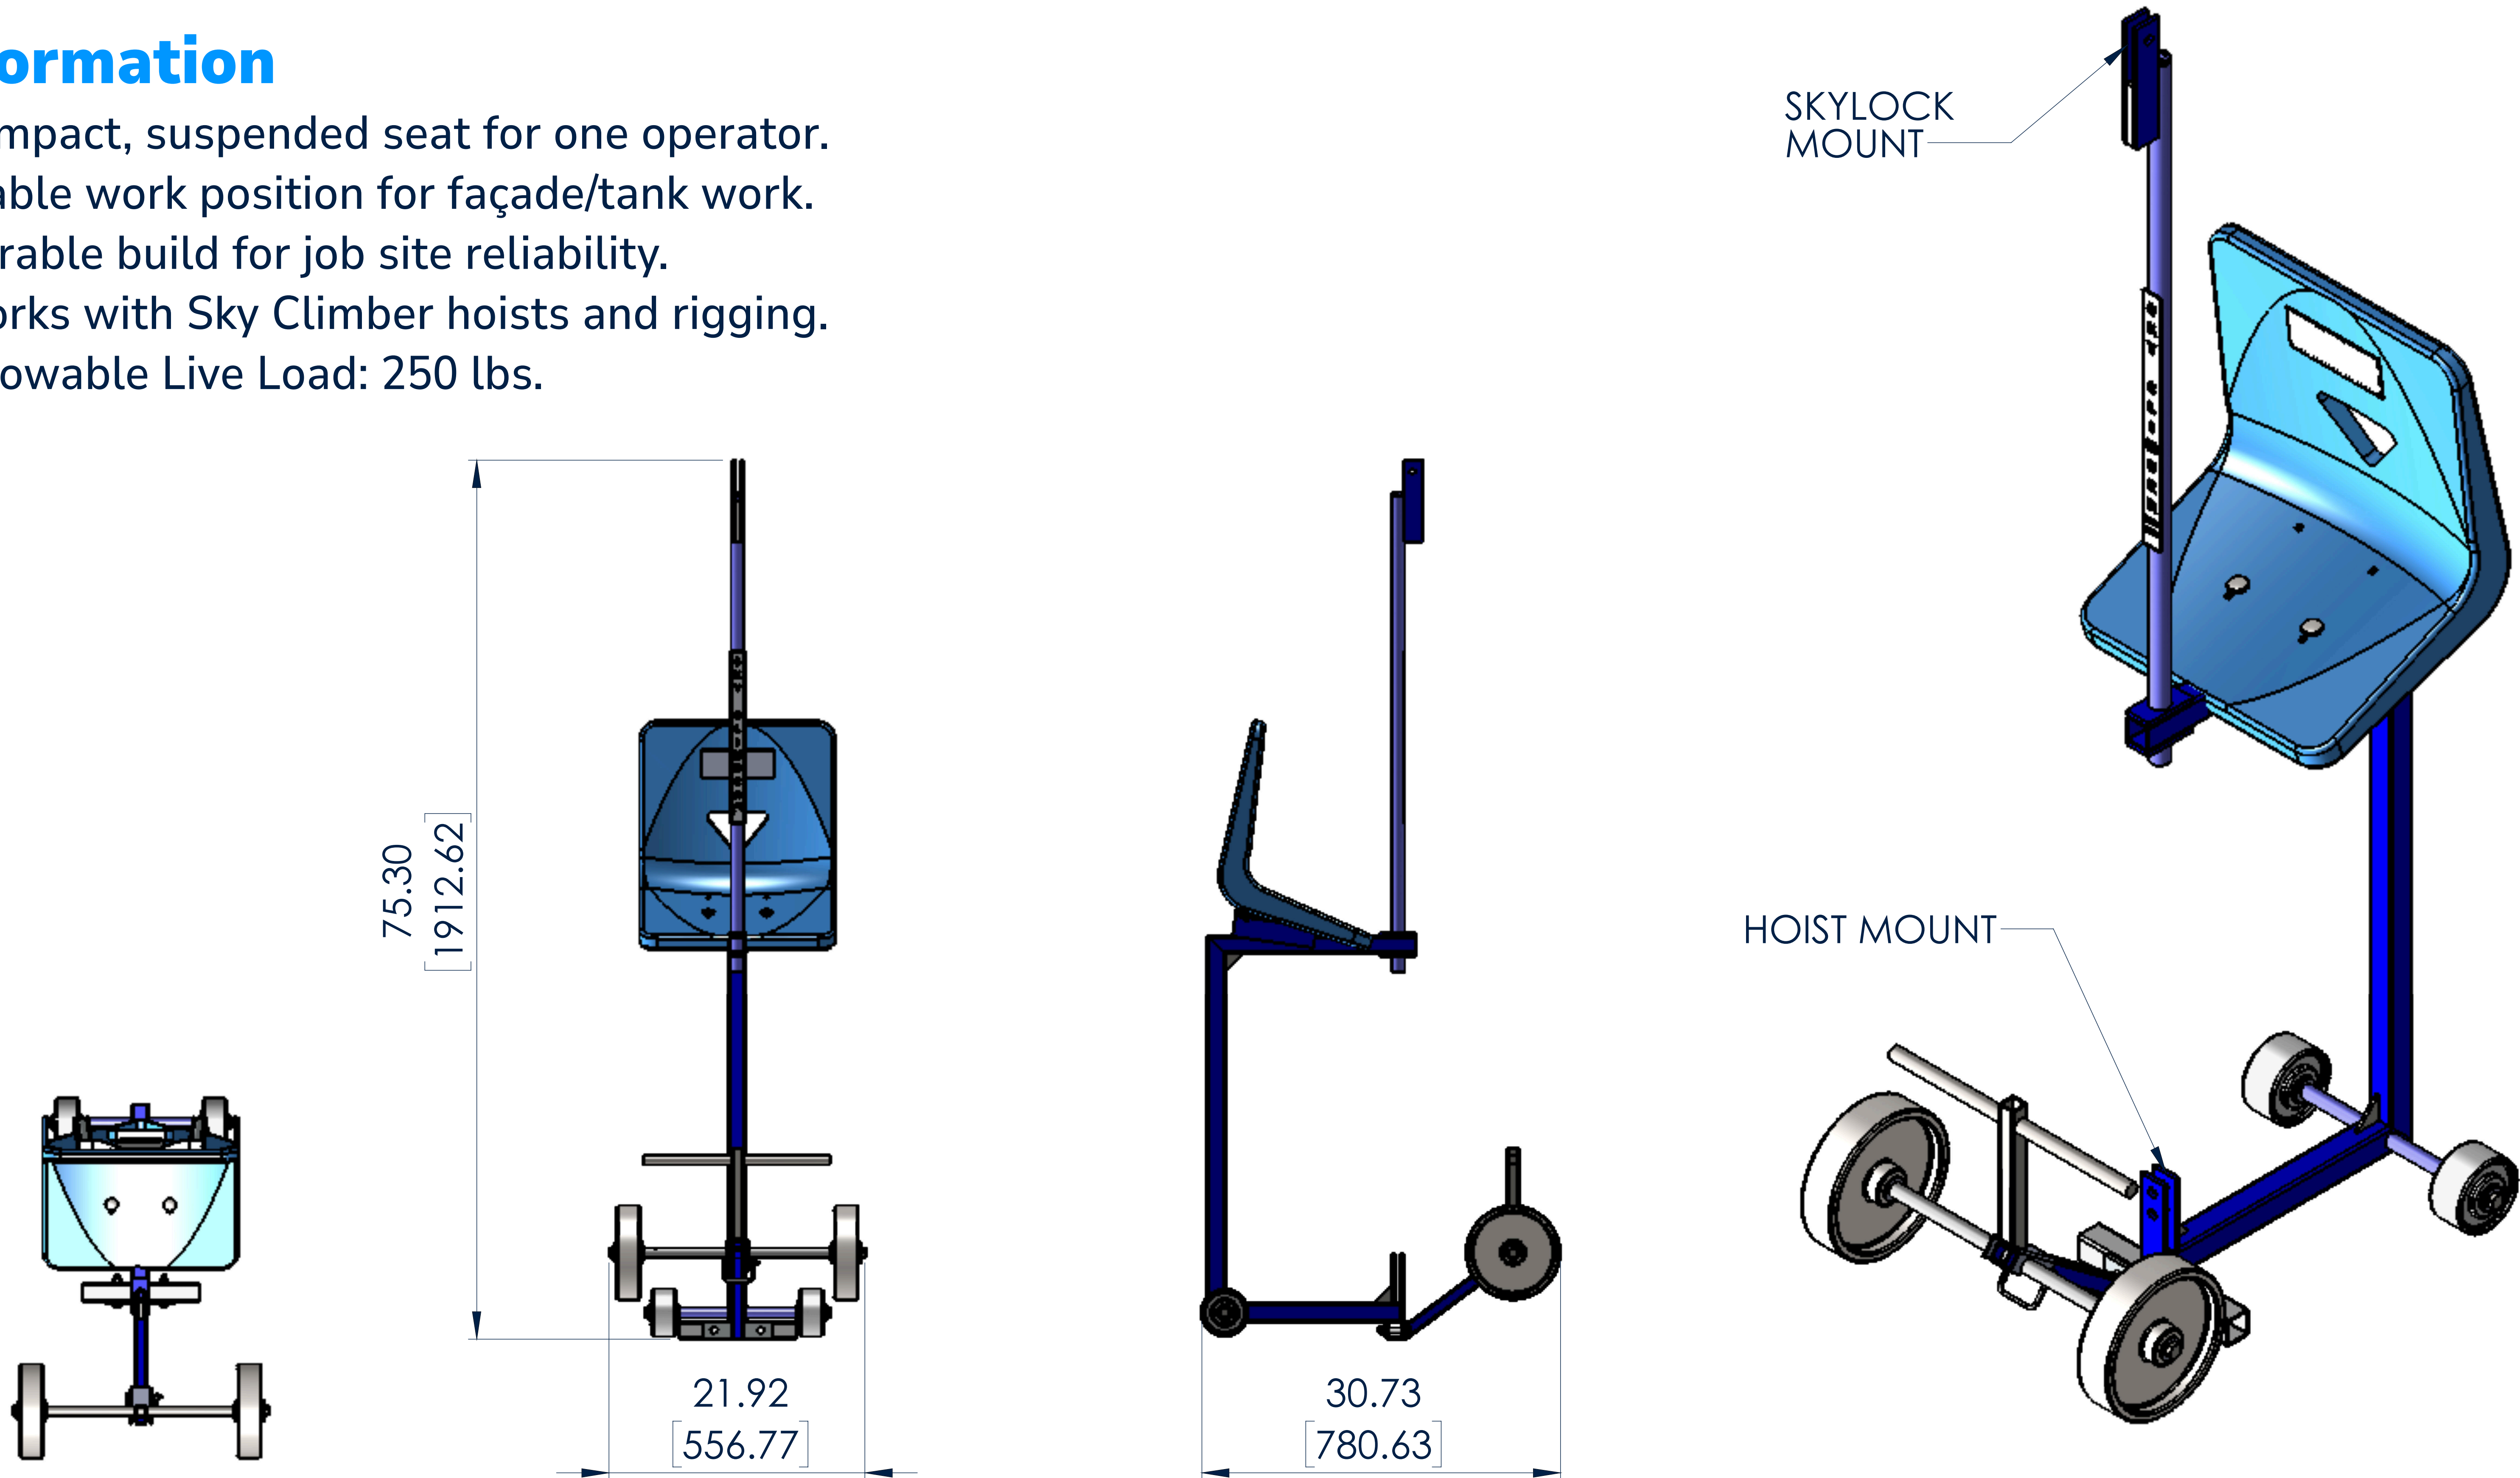

Description

- Bosun Chair provides a compact, stable seat for single-user access to façades, tanks, and stacks where platforms are impractical. It integrates with Sky Climber hoists and rigging systems for efficient, safe work positioning.

Information

- Compact, suspended seat for one operator.
- Stable work position for façade/tank work.
- Durable build for job site reliability.
- Works with Sky Climber hoists and rigging.
- Allowable Live Load: 250 lbs.
