

IC1000 Work Cage

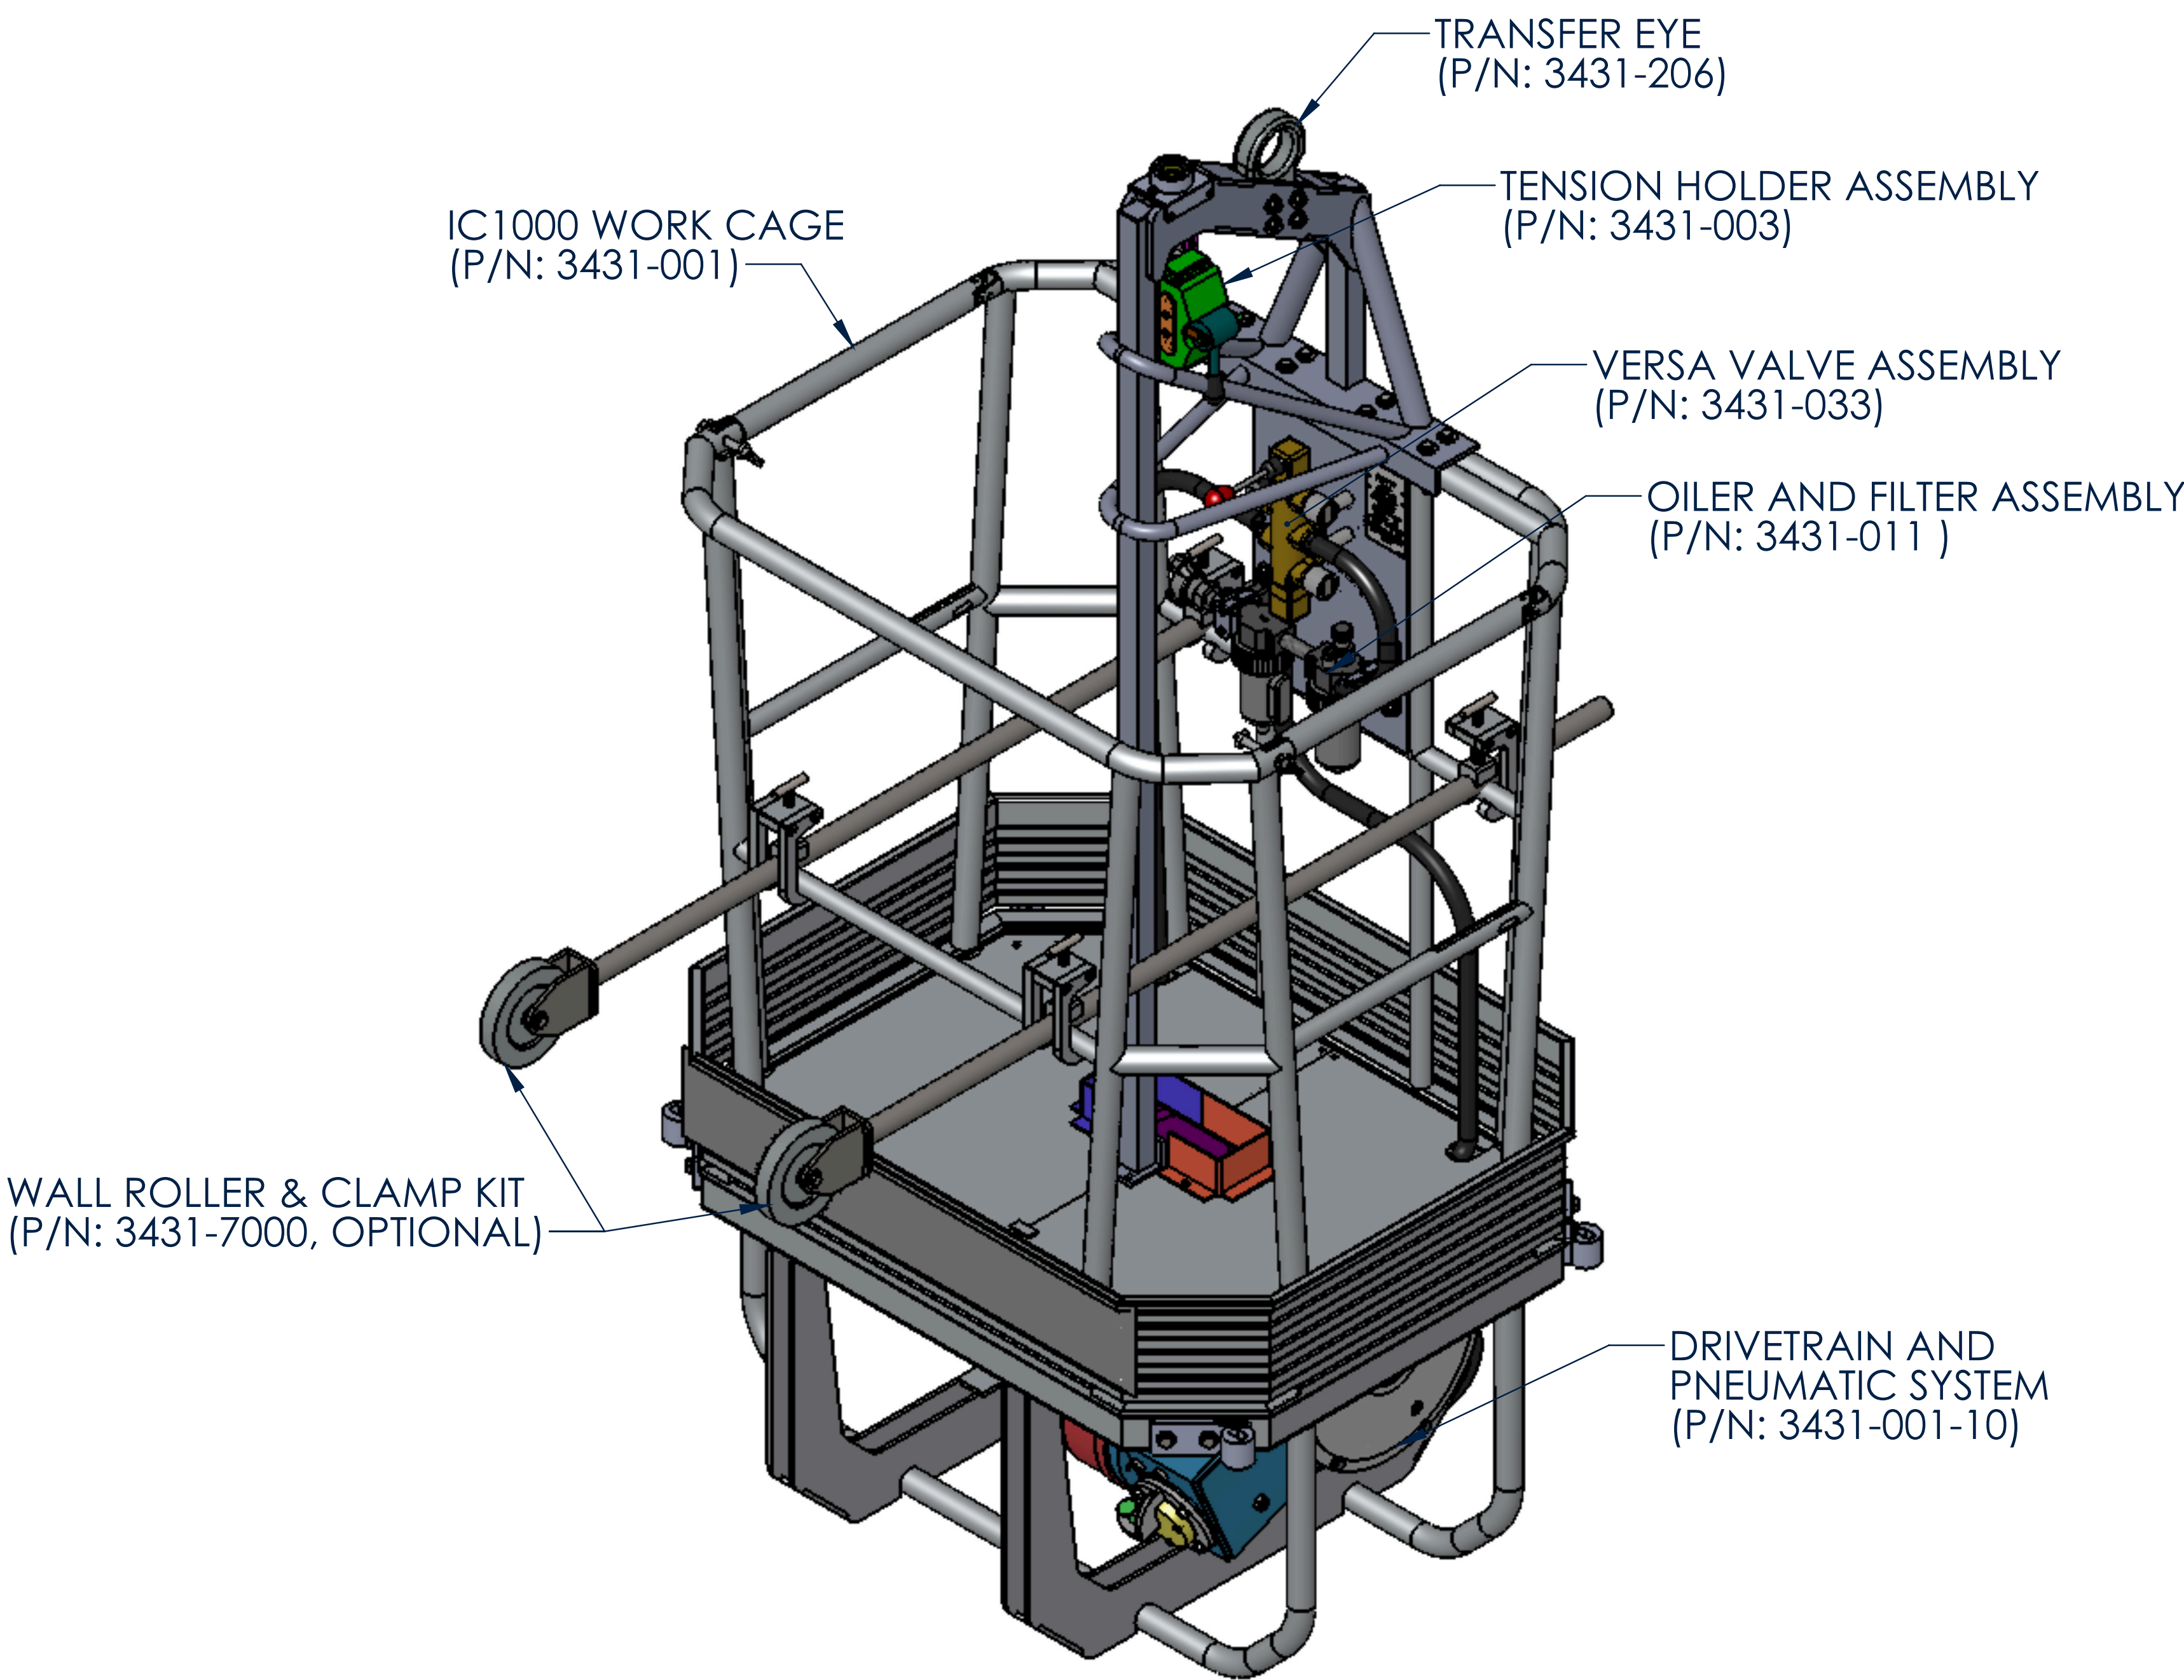

3431-001-DATASHEET

Description

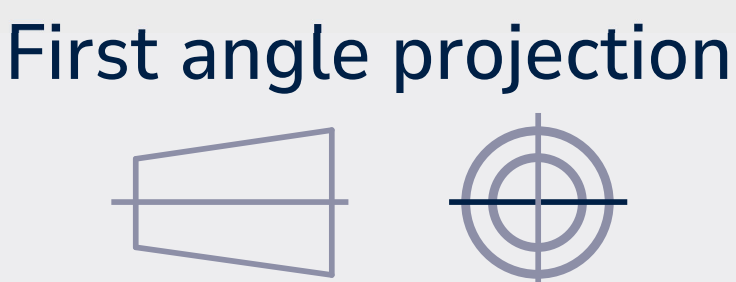

- The Sky Climber IC1000 Industrial Work Cage is a drum-hoist work cage designed for safe, efficient, and reliable suspended access in industrial environments. Built with durability in mind, the IC1000 complements Sky Climber’s traction hoist product line while offering unique compliance and performance advantages.

Information

- UL1322 and UL1323 certified — the only air-powered cage with dual UL approvals.
- 100% OSHA/ANSI compliant for maximum safety assurance.
- Emergency overspeed brake stops fully loaded cage within 12 inches.
- Transmission inspection ports allow easy visual checks with no disassembly.
- Strong pneumatic system with hydraulic-rated fittings and hoses for reduced risk.
- Steel forged transfer eye for safe mid-air transfers without cage damage.
- Fast wire rope changes — no disassembly required.
- Improved steel adapter brackets for wider range of motion.
- Affordable maintenance and replacement parts program.
